##### **Income Taxes**

The Company is a Limited Liability Company ("LLC") for federal income tax reporting purposes. Therefore, the financial statements do not include a provision for income taxes since the Company is not a taxable entity. In 2014 and prior years, the Company was a single member LLC and was a disregarded entity for IRS purposed. Therefore, the Company has no federal, state, or local filing requirement. Beginning in 2015, the company has two members and files an income tax return as a pass-through entity. The Company's members are taxes on the Company's earnings.

At December 31, 2018, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company's open tax years (2014 through 2018) remain subject to income tax audits.

##### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Report of Independent Registered Public Accounting Firm

The Board of Directors and Members of  
Avere Financial Group, LLC

We have reviewed management's statements, included in the accompanying Form Custody exemption report, in which (1) Avere Financial Group, LLC (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(i) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on the management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the securities Exchange Act of 1934.
